

Klondike Hotel

“A happy and relaxed family atmosphere”

The Klondike Hotel is built in traditional style and situated on the west coast of the island in a tropical garden. Its standard rooms, each with terrace or balcony, are facing the sea. They are equipped with air condition and with fridge. Surrounded by lush tropical vegetation, the spacious bungalows are well suited for families or friends. They also offer air condition and with fridge, as well as a kitchenette and a terrace.

At the sea side the swimming pool and a gazebo-like pool bar are the centre of this charming hotel. The location of the hotel offers easy access to many major tourist sites one may wish to explore and comfortable hotel facilities to return to and relax.

Situated in the west, Flic en Flac enjoys sunshine almost all year round. Protected by a reef, the sea is rather calm which enables guests to enjoy all kinds of water sports offered by the hotel. A newly created beach and swimming zone provides safe bathing. The beautiful sunsets are a must to watch from the beach that is adjacent to the hotel or from the hotel balcony or terrace.

A very experienced and caring team guarantees a happy and relaxed family holiday.
