

At the east coast of Mauritius, right on famous Belle Mare Beach lays this 4 star hotel in an utterly exotic and intimate setting. Built in Moorish architecture with exquisite arches, warm colours and in traditional array around the open courtyard "Ryad", it provides the perfect space for a romantic and unforgettable holiday.

From its 60 air conditioned rooms, each with balcony or terrace, 12 are interconnecting for families with children. All rooms are equipped with twin or king-size beds, satellite TV, ADSL internet connection, mini bar, private safe and a bathroom with shower and hairdryer.

Furnished in impeccable Moorish style, with a decoration of exclusive materials, the rooms are dominated by shades of cinnamon, hot pink and orange contrasting with lively greens. A mosaic inlay on the floor once again reminds of La Palmeraie's Oriental theme. 16 rooms offer garden views, whereas the others are sea-facing.

The "Leila and Pacha" Junior Suites and the Honeymoon Suite offer additional features such as a terrace with a bed for unlimited sunbathing or nights under the stars. Or a romantic gazebo perched literally on top of the building, for those who want to fly away in a world of their own.

All rooms and suites are very spacious and well equipped, with many astonishing features such as sea-through windows, exotic ornaments or sofa beds with colourful cushions.

The hotel features 2 restaurants. Overlooking the beach and the swimming pool, "Le Scheherazade" combines spicy and fragrant style cuisine from 1001 nights with local saviours. It is open for buffet breakfasts, theme buffets or a la carte dining. "Le Momo's" offers Arabic and Moorish tastes in a typical setting.

The Oasis beach bar with a charming lounge serves cool drinks between 9 am and 11 pm as well as light meals and cool beverages around lunch time. Light meals are also served by the pool area all day around. Tea is served in the afternoons.

The hotels boat house right on the beach of Belle Mare, one of the longest on the island, invites to all kinds of water activities and excursions.

Children from 3 to 12 are welcome in the children's paradise "Les P'tits Dodos" with age appropriate activities and games while their parents may enjoy the beach or take a look at the handcrafted souvenirs, clothes and accessories at "Le Mini Souk" souvenir shop. Or get pampered at the Mogador Spa, where a team of experts will take care of them with original Moroccan treatments such as Rassoul or massages with fragrant oils, stimulating body and soul. A special treatment is reserved for couples and honeymooners, the latter will certainly enjoy the overall romantic atmosphere of this uniquely beautiful place.
