Le Meridien - Mauritius The art of living in Mauritius

In the sheltered bay of Pointe aux Piments in the North West region of Mauritius lies the recently renovated resort Le Meridien. Offering 265 rooms and suites facing beautiful 800 m white sand beach and spread over 15 acres of lush tropical gardens; this generously built luxury hotel offers the exclusive surroundings for a perfect holiday.

It is adorned by an exotic garden. Its spacious rooms are stylishly furnished and kept in warm, rich colours, thus enhancing the tropical atmosphere and providing an interesting contrast to the sparkling turquoise and blue of the lagoon. They offer nice views of the 800m white sandy beach and the very large pool area.

The Deluxe suites are located on the ground floor with large private terraces. 6 suites have an internal tropical garden while the 6 others boast ideal facilities for children. The very spacious Royal Duplex suites provide a panoramic private balcony with 4 of them fully equipped with suitable facilities for children and 3 with a cocktail bar and a separate dining area. All rooms are equipped with air conditioning and a large bathroom with separate shower. The suites feature their own Jacuzzi.

Five restaurants offer an array of atmospheres and cuisines from international multi ethnic live-cooking to a Mediterranean and Mauritian fusion concept, informal snacks or island seafood cuisine.

The four bars cover a wide spectrum by offering a variety of beverages from exotic cocktails, fruit juices, snacks and titbits, cool drinks, the sports channel news on satellite TV or simply a quiet corner to sit and watch the sunset.

The Meridien hosts a large ballroom and banqueting facilities for several hundred persons. The conference centre with its 5 meeting rooms provides an open plan business lounge with Internet and secretarial services.

A world of its own is the new Asian Health spa and fitness centre. In a relaxing atmosphere, surrounded by its very own tropical garden, this oasis offers to the guests' health and beauty treatments such as Ayurvedic practices, hot stone therapy, reflexology etc. Asian and traditional beauty treatments are ranging from head massage to facials. Moreover, a hair salon and a relaxation area featuring saunas, steam rooms, a powerful body shower and a Jacuzzi complement the range of treatments.

For its sportive or fitness oriented guests, the Meridien offers a fully equipped gymnasium, a range of water sports such as windsurfing, kayaking, glass bottom boat tours etc., a diving centre, tennis courts and the children's Penguin club.

Excursions and activities such as island tours are offered by the hotel tour operator. The shopping arcade is where one can find souvenirs, gifts and a selection of beachwear and body care.
