

Marina Resort & Club

"The all in one hotel"

The Marina Resort & Club, a new beach resort hotel is located at an idyllic spot in the North of Mauritius. It offers a beautiful view on the Northern Islands Coin de Mire, Ile Plate, Ile Ronde and Ilot Gabriel.

This Resort provides a unique and exciting atmosphere due to a harmonious integration of the cultures forming Mauritius. This is reflected in its architecture, garden, cuisine, décor, entertainment and staff.

This resort, which nestles in a lovely tropical garden by an emerald green lagoon, is sheltered from the currents of the ocean by a colourful coral reef and offers a genuine Mauritian hospitality to its guests. A choice of air-conditioned rooms either in the traditional thatched roof bungalows style or the contemporarily styled "Cascade rooms", caters to individual taste.

Whether you want to enjoy the daily fun-activities or relax in the large 380m² swimming pools with whirlpool and children's pool or land activities amidst a warm, friendly and intimate atmosphere. The beach is sheltered by its own little bay with crystal clear water inviting to make use of the variety of both water offered by The Marina Resort.

A variety of land and water sports are available free of charge for all hotel guests. Additionally, they enjoy access to all free activities proposed by the other hotels of Veranda resorts; Veranda Hotel, Le Palmar Beach Resort, Coin de Mire Hotel and Paul & Virginie Hotel.
